Environmental Solutions

## **CDRG's approach**

As the restoration industry changes, people change with it. Reaching your customer is no longer as easy as a good old hand shake; it requires breaking through filters. That's where we come in. Starting from piercing insight and strategy, we create disaster restoration arsenals around our brand that resonate with our audience and create lasting impressions.

*We are the evolution of disaster restoration in Canada.*

## **FOR IMMEDIATE RELEASE**

Issued by: The Institute of Inspection, Cleaning, and Restoration Certification  
Vancouver, Washington  
(360) 693-5675

The Institute of Inspection, Cleaning, and Restoration Certification (IICRC) is proud to announce that D&G Construction, Kapuskasing recently has qualified as a Certified Firm. This company has met the following IICRC criteria:

- Agrees to uphold honesty, integrity, and competency in all dealings with consumers.
- Maintains appropriate licenses, permits, and bonds.
- Carries adequate insurance coverage at all times to protect consumers and employees.
- Maintains a customer complaint procedure for resolving issues.
- Establishes and maintains a professional attitude in conducting business.
- Seeks, provides, and promotes training and continuing education in the firm to enhance technician proficiency.

Tom Hill, IICRC Executive Administrator, states D&G Construction is an example of the type of company that cares about their customers, their quality of work, and their industry. D&G Construction has demonstrated the desire to provide customers with thorough, professional, and caring service.

The Institute of Inspection, Cleaning, and Restoration Certification (IICRC) is the foremost authority in certification and standard setting for the cleaning, restoration, restoration, and inspection industry since 1972. With over 41,504 certified technicians and over 4418 certified firms representing eleven countries, the IICRC is the leading resource for trained floor covering inspectors, interior textile care, hard surface, and restoration professionals. By administering a strict process of certification, the IICRC provides a means by which consumers can receive the highest quality of service from trained, knowledgeable, professional technicians.

D&G Construction joins the ranks of the true professionals within the cleaning, restoration, and inspection industry. The IICRC welcomes D&G Construction's participation within the cleaning and restoration industry.
